

Bernard Gilpin Primary School

Dream Believe Achieve

Science Principles

	<p>We enjoy science we are motivated and enthusiastic about the subject.</p>
	<p>We are confident with our knowledge and application of scientific vocabulary.</p>
	<p>We use a range of scientific equipment and resources with increased accuracy.</p>
	<p>We are inspired through educational visits, visitors, famous scientists, careers and extra-curricular activities.</p>
	<p>We develop our skills through a range of scientific enquiries and investigations, making links to the wider school curriculum.</p>
	<p>We deepen our scientific knowledge when reading a range of science related texts and asking relevant questions.</p>
